

happy moments.

“Got humour?”
“No,” said the Americans, “because we are not British.”

HAHAHAHAHAHA SO FUNNY... if you get it.
(note the spelling...)
Ok now, one more:

There was a man who painted rabbits all over his bald head.

Claimed they looked like hares from a distance.

Stressing out? Ripping your hair off?
You can open a door with humour.

Good luck MMICC 2010 participants!

Day Trois Highlights

Penguins

...delicious, VERRRY NICE

We're taking it easy tonight and writing to you all at 7:40pm. Legit, huh? Unfortunately, we did not spend a lot of bonding with you all today as we all departed ways after Les 3 Brassures but that's not to say that we have absolutely nothing to report. Whether you all ended up choosing option 1 or 4, or just left the meter at Les 3 Brassures- hopefully your night was just the way you wanted it to be.

From the looks of it, we're working backwards so let us continue that way. Before, we had some family time at The Tour Olympique and Biodome. If you survived that backwards, roller coaster-like elevator thingy, you can survive annnnything. (including the 24 hour case crack!)

Coollest part of the Biodome? Got to give it up to the Penguins...or maybe the humidity in the first ecosystem? Singapore told us that if we couldn't handle that, we probably shouldn't

visit Singapore. Aw no... sad face.

Group pictures? Many checks.

Dance pictures? Check.
(Although, we definitely need more of those..but not in front of flags please. Finale party anyone?)

Until next time...

You know you love us,
Xoxo.

P.S. Tomorrow's the big day/night. Best of luck to all of you. For being invited back to MMICC 2010, you are already all winners.

MONKEYS!!!!
